- 5.5. In some circumstances, Safeguarding policies may take precedence.
- 5.6. An offer below the normal grade range may be made in exceptional cases where there is evidence that the applicant's grades may have been affected by individual extenuating circumstances.

6. Admissions Criteria

- 6.1. Full time undergraduates: Those who are applying for admission to a Full-Time Undergraduate programme will normally do so through the University and Colleges Admissions Service (UCAS). Within University Studies at West Suffolk College the process for admitting students through the UCAS system is centralised to the Admissions team.
- 6.2. Part-Time Undergraduates: To apply to Part-Time Undergraduate programme an applicant does so through the internal application system. Following this, the application is processed in the same manner as the Full-Time programmes.
- 6.3. International admissions: All International applications will be referred to the internal Admissions team who will confirm eligibility.

7. Selection framework

- 7.1. Admissions staff will be expected to use professional judgement in assessing the academic potential of individual candidates. In exercising their judgement, admissions staff must operate in a way that is consistent with University Studies at West Suffolk College's Admissions Policy.
- 7.2. Entry requirements will be reviewed annually prior to the onset of the recruitment cycle by the University Studies at West Suffolk College Leadership Team in conjunction with academic teams.
- 7.3. University Studies at West Suffolk College accepts a broad range of qualifications and combination of qualifications for entry onto its programmes, including vocational and Access to Higher Education, alongside a range of qualifications offered to European Union. Qualifications may be subject to a NARIC (National Recognition Information Centre), the designated United Kingdom national agency for the recognition and comparison of international qualifications and skills.
- 7.4. The Personal Statement and Reference is used as indication of ability, motivation and potential, alongside information about personal circumstances and contextual social and cultural information, including related work or voluntary experience showing commitment to a chosen career.
- 7.5. All applications received by the relevant UCAS deadline (normally 15 January prior to year of entry) are to be given equal consideration. Such consideration will also be given to applications received after 15 January up to and including 30 June (end of main applications scheme through UCAS).
- 7.6. University Studies at West Suffolk College welcomes applications from students with additional needs and will make every reasonable effort to meet their needs to enable them to study at the College. Applications from students with disabilities and/or additional needs are considered on their academic merits in line with applications from all students. If there is any doubt about a particular applicant's suitability for a programme, admissions staff will refer the application to the relevant academic teams. A decision will then be made in liaison between Admissions and the Curriculum Team.
- 7.7. For select programmes auditions, interviews or portfolios are required as part of the admissions process. This will be facilitated through the admissions team with the final decision made by the academic teams.
- 7.8. Consideration for admission based on APL will be given in accordance with the Accreditation of Prior Learning policy. We recognise that experience counts and offer the Accreditation of Prior Experiential Learning (APEL) and Accreditation of Certificated Prior Learning (APCL) as processes that allow applicants to gain recognition for skills or qualifications gained at work or elsewhere. APEL and APCL can help the applicant gain credit towards a wide range of qualifications and may reduce the period of study time necessary to obtain their chosen award.
- 7.9. For applicants whose first language is not English, each programme will publish a minimum score for the International English Language Testing System (IELTS) and

this forms part of the selection criteria. A Grade C/4 GCSE or an equivalent qualification is normally required.

- 7.10. Applicants to certain vocational or professional courses may be required to pass an Enhanced Disclosure and Barring Service (DBS) check and/or to demonstrate medical fitness to practice prior to being admitted. This is in order to comply with the requirements of relevant professional bodies. Applicants will be advised if these or any other conditions apply when they are made an offer of a place.

8. Criminal Conviction

- 8.1. University Studies at West Suffolk College aims to provide a supportive, positive and safe environment for learning and teaching. For this reason all applicants will be required to declare any relevant criminal convictions. The relevance of criminal convictions depends upon the nature of the course. It is important to note that having a criminal conviction does not necessarily prevent an applicant from being accepted on a course. This will depend on the nature of the programme of study, the outcome of any Disclosure and Barring Service (DBS) check, and the circumstances and background of the offences.
- 8.2. All courses that bring students into contact with children or vulnerable adults require applicants to undergo an Enhanced Disclosure and Barring Service (DBS) check. More information may therefore be required about any criminal convictions.
- 8.3. Please see the Criminal Convictions policy for more information.

9. Offers

- 9.1. Making an offer for study, which is subsequently accepted, is the creation of a contract between the University Studies at West Suffolk College and the applicant. Only trained Admissions Selectors are therefore able to make a formal offer of study to applicants.
- 9.2. University Studies at West Suffolk College reserves the right to amend or withdraw an offer of a place based upon (but not limited to) the following.
- 9.3. If the student is subsequently found to have made false statements or provided inaccurate information or omitted significant information, including criminal convictions, during the application process.
- 9.4. Based on information provided to the College after an offer has been made (i.e. via a reference or DBS certificate).
- 9.5. University Studies at West Suffolk College may report any application it suspects to be fraudulent to the UCAS Verification Unit.
- 9.6. University Studies at West Suffolk College may convene an Admissions panel to consider the suitability of any applicant to join the course at any stage of the

admissions process. In this case, the applicant will be invited to submit a statement for consideration.
